

TOTAL COST OF OWNERSHIP

The purchase price is only the tip of the iceberg.

Traditionally, a phone system is a **HUGE** investment that depreciates the moment it's purchased. Even worse, the cost of maintenance and ongoing support grows as the system ages.

LATTICE

YOUR TECHNOLOGIES, MANAGED

**IS THE ANSWER
TO THIS PROBLEM.**

Lattice is a uniquely customized voice-as-a-service solution that includes the ENTIRE iceberg. Lattice is professionally and proactively managed by Warwick. We design the best SYSTEM and SERVICE for your specific business, into ONE monthly payment.

- Communications system
